Hi Scott-

I'll send you the emails. I'm a bit swamped at this moment, but will do my best to get them to you by the end of the day.

Kris

I am putting together my Notice of Post Sentencing Violation for the November 30 hearing. I was planning on including a notice to the Court that Mr. Pillon was less than cooperative with EPA (the judge has specifically ordered him to cooperate, so I think she will want to know about what led up to the need for the Administrative Warrant application). You mentioned that you had some documentation or e-mails that reflect his lack of cooperation. Could I get copies of those?

Thanks again for your on-going help with this property! It is a VERY long road, but the progress we have already made gives me great optimism that we will get this done and protect the people and the environment.

Thanks,

Scott A. Marlow
